PANAGO

Annual Demographic Update Form

Thank you for updating your child's Annual Demographic Form each year to verify that the information that we have on file is correct.

This is a key process to ensure that your child's emergency contact and guardianship information is accurate as we work together for your child's education.

Earlier this fall, an email was sent to all families requesting the completion of your child's demographic update. Thank you to those who have already completed this process. At this time we ask families who have not yet completed their child's annual demographic update to please sign into the parent portal and go to the School Engage link to submit your form.

Link for PowerSchool Parent Portal:

Please click on SchoolEngage (bottom left) to take you to the demographic form.

Thank you for completing this form prior to October 15, 2021 or as changes occur during the school year.
