### Annual Demographic Update Form

Thank you for updating your child's Annual Demographic Form each year to verify that the information that we have on file is correct. This is a key process to ensure that your child's emergency contact and guardianship information is accurate as we work together for your child's education. An email was sent again to some families requesting the completion of your child's demographic update. Thank you to those who have already completed this process. **At this time we ask families who have not yet completed their child's annual demographic update to please sign into the parent portal and go to the School Engage link to submit your form. \*(Please use a computer, not a phone)**

Please click on SchoolEngage (bottom left) to take you to the demographic form. Thank you for completing this form and making changes as they occur during the school year.

Welcome Mr Gibbs!

Hello, my name is Eric Gibbs. I am in my second year of teaching, but this is my first year substitute teaching in CESD. I have spent the vast majority of my time this school year subbing at École Deer Meadow School, and I feel incredibly fortunate to have found such a caring and welcoming school in ÉDMS. I'm relatively new to this school environment; however, I come from a background of employment, life-skill and outdoor education for persons with developmental disabilities at Prospect Human Services.

Born and raised in Calgary, I am a graduate of the U of L Bachelor of Education program and the University of Victoria - Schools of Environmental Studies and Geography.

I enjoy being active outdoors with my wife Leah, and our furry friends Kootenay and Blue. Whether I'm birding or botanizing, learning about the natural world is my passion. When not in school you will find me floating down rivers, hiking through forests and camping along the way.

I look forward to the next few months of amazing adventures in Grade 7 Math and Science!

### Leaders Leading

November 30 - Wear White Day

The month of November is lung cancer awareness month. The color that symbolizes lung cancer is white so the Interact Academy would love if you could support survivors and all affected by this horrible disease. Please wear white on Tuesday.

December 3 - PJ Day
