Attendance

We see that our attendance numbers are down this week, but that tells us that parents are doing their part and taking health concerns seriously. This is much appreciated. When you call in to report your child's absence, we will ask if your child is ill. If you are leaving a message about attendance, please let us know if your child is ill. This is just for data collection purposes, since we report our illness numbers to the province. We know that illness takes many forms, so we will not make any assumptions. Thanks for helping us get through this latest rough patch.

ACADEMIES

Session Two and Three Academy Sign up is next week on Tuesday Jan 25th and Wednesday Jan 26th. Students will be coming home with Academy sign up sheets, and all other resources for planning Academy selections can be found on our website under "ABOUT US" and then "ACADEMIES". Our Academies are on a first come, first serve basis and parent/guardian signatures are mandatory.

There are a few steps to take this weekend in preparation for their sign up next week please:

1. If you did not have the opportunity in session one, please read over the Academy introduction parent letter
2. Read through the updated course outline with your child to narrow down interest areas.
3. Reference the "Academies at a Glance" to see when the courses your child is interested in are offered.
4. Fill out the Academy Sign Up form, sign it, and return by January 24th.

If your child is ill on the Academy sign up days, please send your child's signed sheet with a sibling or peer to school.

YOUR CHILD WILL BE UNABLE TO SIGN UP FOR ACADEMIES IF THIS FORM IS NOT RETURNED SIGNED
