Dear Parents,

As you may be aware, the Olds Municipal Library provides free memberships to residents Olds and the surrounding Mountain View County. Users with a valid library card are able to check out library materials at any of the 50 public libraries in the Parkland Regional Library System, access excellent online homework help, request and renew library materials, download eBooks and eAudiobooks, and even learn a new language.

Your child's school librarian would like to provide your child and your entire family with library cards. If you're interested, we need you to provide the information in the form below and have your child ***return it to the school librarian by May 13th, 2022.***

If your family already has an Olds Municipal Library membership or a membership at another library in the Parkland Regional System, we can renew your cards for you! All you need to do is indicate that you'd like to renew your cards.

The Olds Municipal Library strives to provide accessible services and programs that promote intellectual freedom, recreation, and lifelong learning for all. Welcome to the library!

Sincerely,
