

Sharing a sense of pride as we reflect on an exceptional year

A Message from the Superintendent

As the end of this school year approaches, the Board of Trustees and Central Office team would like to express our deep gratitude for all that has been achieved in schools across our division. Our Chinook's Edge school communities rallied through a tide of challenges that ebbed and flowed throughout this past school year. Everyone was determined to ensure meaningful learning took place each day, through hard work, resilience and goodwill.

Our schools are filled with educational leaders who ensure a safe and caring environment for all students. They are all committed to our divisional goals: Academic Excellence, Career Connections and Social Emotional Well-being, which we firmly believe are key to student success as they progress through the grades and throughout their lives. Chinook's Edge has generated clear strategies to support every student in their learning journey and to create an upward momentum that helps them realize their hopes and dreams.

Thank you to our students, our teachers and our entire Chinook's Edge team for your hard work throughout the year, and to parents and community partners who are engaged in learning alongside us. Chinook's Edge students are surrounded by people who truly care about them and about their success. Thank you for challenging, encouraging and believing in each one of them. Enjoy your summer!

Kurt Sacher
Superintendent of Schools

We would love to hear your thoughts on this month's [parent survey](#): What comes to mind when you think of your child's school experience this past year? Remember to visit our [Assurance for Parents](#) page for regular updates!
