A message from Parent Council:

Thank you to everyone who joined us at our first meeting of the year! We are off to a great start and look forward to seeing more of you at our Annual General Meeting on Monday, October 3rd at 7pm where we will vote in new executive members. If you are even a little bit interested in holding a position, please reach out to us and we will be happy to share with you what would be required. We are also looking for some parent volunteers to help organize and support a lunch program at Deer Meadow, if this sounds like something you would like to help with please send us an email deermeadowparentcouncil@gmail.com.

From the Gym

Cross Country practices will be held on Mondays, Wednesdays and Thursdays from 3:15 to 4:00.

Information is also posted on our EDMS website Calendar.

We are still looking for any parents interested in helping to coach volleyball. Please contact the school if you are interested.

EDMS News

Terry Fox:

Deer Meadow students will take part in the school Terry Fox Run next Thursday afternoon (September 22nd). This is our annual non-competitive event that raises funds and awareness for cancer research. We are asking students to wear red on that day and to bring a "Toonie for Terry", or a donation of any amount that we will forward to the Terry Fox Foundation. With just under 500 people in the building this year (students and staff) we have set an optimistic goal of raising \$1000!

Details and the ability to donate online are available [HERE](#) on our school Terry Fox webpage.

Welcome Back BBQ & Band Instrument Rental Night:

Ecole Deer Meadow School is excited to invite our community to the school for a welcome back barbecue on Tuesday, September 27th, from 5:30-7:30pm. We will be set up with a barbecue out back serving hot dogs with juice/water and a treat for \$3 or \$5 per family. We hope you can join us for a time to reconnect with us!

Parents/guardians of band students who are interested in setting up an instrument rental are also welcome on this night to come inside for a presentation in the gym at 6:00pm about this, and to check out the instruments and set up a rental agreement.
