EDMS News

Welcome New Staff

We are happy to welcome two new staff members to the Deer Meadow team! Mrs. Charlton has started with us in the library as she transfers to a new building after having served in the same capacity at the Innisfail Campus Library over the past decade. Additionally, we have been able to add a fourth English grade 7 class due to increased enrollment, which has allowed us to add Ms. Winter to teach 7.4. Ms. Winter is a familiar face to our students as someone from the community who has also previously completed a practicum at Deer Meadow.

Welcome Back BBQ & Band Instrument Rental Night:

École Deer Meadow School is excited to invite our community to the school for a welcome back barbecue on Tuesday, September 27th, from 5:30-7:00pm. We will be set up with a barbecue out back serving hot dogs with juice/water and a treat for \$3 or \$5 per family. We hope you can join us for a time to reconnect with us in a casual setting!

Parents/guardians of band students who are interested in setting up an instrument rental are also welcome on this night to come inside for a presentation in the gym at 6:00pm about this, and to check out the instruments and set up a rental agreement.
