

Modeling what great citizenship truly means

A message from Superintendent Kurt Sacher

I believe that positive energy is present in Chinook's Edge whenever people from our school communities gather, and this fall there has been a renewed sense of gratitude for our time together in school each day. We know the holiday season ignites an even greater sense of compassion and goodwill in our schools, as students and staff answer the call to be good global citizens. They are sharing our caring culture by ensuring the shelves are well stocked at area Food Banks, filling hundreds of shoeboxes for Operation Christmas Child, performing seasonal concerts at seniors' homes, and gathering warm mittens for those less fortunate.

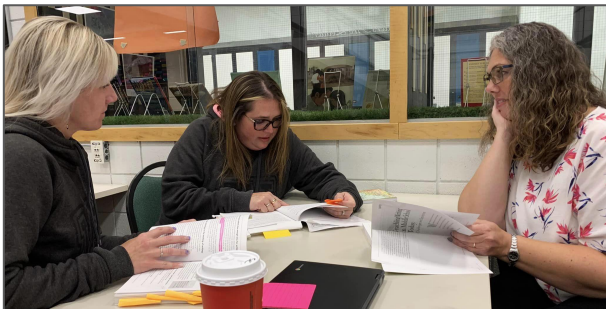

Our students model what great citizenship truly means. In Chinook's Edge, we believe citizenship involves the character of an individual and their respect for the greater societal good. At a time when lessons in the importance of being a good neighbour, a helpful friend and a respectful citizen are needed, we applaud our students and staff for the plentiful examples of their kindness.

Thank you to everyone who nurtures this generosity of spirit all year long in Chinook's Edge!

Responding to the rise of respiratory viruses

The chief medical officer of health, Dr. Mark Joffe, has issued a statement about the increase of respiratory viruses in Alberta. As always, Chinook's Edge takes its lead in these matters from the officials at Alberta Health Services, and share their priority to keep our school communities safe. The government's full statement can be read [at this link](#).

We appreciate your attention to the preventative measures Dr. Joffe outlines. Our efforts together make a huge impact in our safe and caring schools!
