Parent Council

The École Deer Meadow School community is fortunate to have an engaged and supportive parent council. The EDMS Parent Council plays many important roles in order to support and enhance the learning of our students. From consulting and offering advice to fundraising and volunteering, there are many ways to help support the school. Most recently, the Winter Dance that was held this past week would not have been possible without the planning, preparing, and many volunteer hours that were provided by our council. Thank you parents for making this opportunity possible for our students!

Next up on the calendar for parent council is the regular monthly meeting, which will take place on Monday, December 12th, at 7:00pm over Google Meet. These meetings are a great place to start if you are interested in getting involved or just hearing more about the school and the work of the council. Please contact deermeadowparentcouncil@gmail.com to receive the weblink to access future meetings or to express your interest to help out.

Parents play a vital role in student success and having parents contributing to the school community makes a big difference. Please consider the role you can play (either big or small) and come check out a meeting.

Hot Lunch Days for December are:

Friday, Dec. 16 - Prairie Donair

Friday, Dec. 23 - Panago Pizza

Online ordering is available through **Student Quickpay** on the school website.
