EDMS News

Indigenous Learning

Deer Meadow School has made an effort to incorporate indigenous culture and perspectives into the education of its students. Recently, grade 5 and 6 classes had the opportunity to learn from guest presenter Clare Butterfly, who shared land-based teachings on the importance and usefulness of different plants and animals. The school's indigenous student group, Tribestone, also participated in active learning about Metis dances with special guest Pam Lashmore. Furthermore, the administrative team of Mr. Whitehead and Mrs. Jackson took part in an indigenous flag ceremony, which featured elders, talented dancers, and drummers. The school was also presented with a treaty flag and a Metis nation flag, which will be displayed prominently in the school as a symbol of our commitment to honouring indigenous culture and perspectives.

Scientists... I hope you are working hard on your projects! The science fair is next month so if you have any questions, pop in and chat with Mrs. Hoppins. The deadline for sign up is February 3rd, so get your application in today! For more information click the following link: **EDMS Science Fair**
