

École Deer Meadow School

Chinook's Edge School Division

Week of January 30 - February 3, 2023

EDMS News

Report Cards

In an effort to align the reporting periods across Chinook's Edge School Division there have been some changes made to the report card that Deer Meadow students will receive next week.

The report card has been changed from three to two reporting terms (September-January and February-June), with columns set up as follows:

Semester 1 Courses	Semester 2 Courses	Yearlong Courses
If the course only occurs during Semester 1, the mark will show in this column. Comments will only appear in the online parent portal.	If the course only occurs during Semester 2, the mark will show in this column. Comments will only appear in the online parent portal.	If the course is set up as a year-long course, the mark will show in this column as a cumulative mark. Comments will appear both on the report card and in the online parent portal.

This will also mean that report card comments will only appear for yearlong courses, while the semestered courses will only have comments visible in the online PowerSchool parent portal. Math, Science, Social Studies, English Language Arts and Physical Education are all examples of yearlong courses. Grade 7 and 8 Academy courses are semester courses.

On January 31st at noon the report card for semester 1 will be available to parents and students for download from the PowerSchool website (<https://powerschool.cesd73.ca/public/>). Please note that the report card is not viewable on the PowerSchool Mobile App and must be accessed by using a web browser, which is the recommended way to access all of the capabilities of PowerSchool. Our report card provides an update on student progress at a defined time in the school year, but grades and teacher comments on assignments are visible throughout the school year on the website. Clicking on the specific course grade will allow you to see the grades on individual assignments and any comments on them. Should you need any help accessing the report card or PowerSchool please do not hesitate to contact the Deer Meadow office for support.
