Live Different

Thanks to the support of the Deer Meadow Parent Council, we will be welcoming [Live Different](#) back to our school for the first time in a few years. Live Different is a Canadian organization that supports character development in school-aged youth. On Monday, March 20th, they will provide a motivational assembly focused on empathy for our grades 6 through 8 students. In addition, our grade 7 classes will all spend an hour in smaller groups with the Live Different crew learning about the topic of resiliency. We are excited to host this opportunity and are thankful for the support in doing so!
