EDMS News

Earth Rangers Presentation - Grades 5 & 6

Wednesday, April 26th 9:00 - 10:00am

The Earth Rangers School Assembly is an inspiring, interactive presentation featuring live animals, games and trivia, captivating video content, and two enthusiastic educators who not only teach kids about the environmental issues our planet is facing, but empower them to take action. The assembly is reinvented every year so it is always fresh, with the most up-to-date science and real-life work conservationists are doing in the field.

French Carnival

On Friday April 28th, the grade 8 French Immersion students will be organizing and hosting a mini French Carnival. Students from Fox Run from Sylvan Lake and Ecole Olds Elementary School will be joining our French Immersion students for a variety of outdoor activities. This is a great opportunity for French students in the Chinooks Edge School division to engage in fun activities, speak French and meet new French speaking students. Thank you Mr. Raj and the grade 8 French students for bringing the French culture to Deer Meadow School!

DELF

On April 26th, the French Immersion students will be completing the DELF exam, which is a French exam that examines a students ability to read, listen, write and speak in French. This is a lifelong diploma of French as a second language and is recognized worldwide. Students completing this test at Deer Meadow should be very proud of their efforts and their continued determination to succeed and excel in French.

YES NEWS

The YES program offers opportunities for positive connection and healthy relationship building at DMS

CHESS TOURNAMENT
May 9-June 6
12 spots available for the YES Chess Tournament- Tuesdays after school

YOUR ATTITUDE DETERMINES YOUR DIRECTION
