### Attention Parents:

As we are getting close to the end of this school year we would like to inform you that you will not need to complete a registration form for the 2023-2024 school year if your student will be attending our school in the fall. The information that we have on file now will roll over to the 2023-2024 school year when Division office does the rollover. If you have any questions please do not hesitate to contact us at 403-556-1003 and press 2 for the office.

#### Field Trip Season

The final two months of the school year have many opportunities for Deer Meadow students to learn outside of the classroom. From geocaching in Outdoor Education, working with horses in our new horse therapy academy, to whole grade field trips to places like Heritage Park or the Rocky Mountain House National Historic Site, there are many exciting learning activities coming up. Field trip permission forms have likely started to hit your inboxes or will be doing so very soon.

We are happy to have the support of our spell-a-thon fundraiser to make it possible to offer field trip opportunities without fees. From admission fees to the cost of bussing, the spell-a-thon provides significant support to cover these costs for every single student at Deer Meadow! This is one of the many benefits for our students and families from the fundraiser, and we are excited to continue the tradition this year as we head into May. We have a great array of prizes ready to go (thank you donors!) and students have been working on their lists. Thank you for supporting this important fundraiser and we hope you will pledge your support again this year by May 10th to help us be able to continue providing these opportunities to all!

#### Spell-a-Thon

We have some amazing prizes in for our Spell-a-thon celebration! We have a chromebook, golf membership, numerous gift baskets, and many gift cards including \$300 Canadian Tire cards donated by Parent Council.

## Earth Rangers

The grade 5 and 6 classes enjoyed an engaging and interesting presentation by the Earth Rangers this week. Thanks to Nutrien for supporting this awesome program!

Chinook's Edge staff are planning ahead for the upcoming year.

In Mid August, Chinook's Edge will be sending home your "Annual Re-Enrollment and Consents" for the 2023-2024 year, this is replacing the Annual Demographic Update. The form will need to be completed and submitted prior to the start of the school year.

The form will ensure your registration and certain consents for the upcoming school year.

The form contains a Walking field trip, Technology, Media and FOIP consents that has to be completed every year before your child can participate in these activities. We have combined some forms together into one to make the start of the school year a little easier for you.

We are asking parents and guardians to ensure that they can sign into their PowerSchool parent portal account before the end of the year. If you are having troubles with your username or password, please contact your school before the end of May to get help.

This is for all Kindergarten to grade 12 students

Please try to sign into the link below to ensure your username and password.

Thank you
