Traffic Safety

Has the warm weather this week made anyone else feel like we have skipped spring and jumped right into summer? Along with the nice weather, it is great to see many students now able to travel to and from school on foot or with their own set of wheels. We revisit traffic safety in classes to discuss specific issues related to arriving at and exiting our school grounds safely and we appreciate it if parents/guardians can review road safety with their students at this time of year as well. Any way that we can partner to keep our kids safe is a win!

Some specific issues that you could review:

- Using the marked crosswalks instead of crossing in the middle of the streets (especially during the busy drop-off and pick-up times).
- Not walking out from between the buses when parked in our bus loop (walking around and using the crosswalks is the safest).
- Walking bikes/scooters/skateboards to the bike racks instead of weaving through student traffic.

Spell-a-Thon

The prizes keep getting added to our showcase! Just a reminder that pledges are due on Wednesday, May 10. Enter pledges online by using this link, **StudentQuickpay**. Our Spelling Bee and prize draws will happen on May 18th.

April Student of the Month

Chinook's Edge staff are planning ahead for the upcoming year.

In Mid August, Chinook's Edge will be sending home your "Annual Re-Enrollment and Consents" for the 2023-2024 year, this is replacing the Annual Demographic Update. The form will need to be completed and submitted prior to the start of the school year.

The form will ensure your registration and certain consents for the upcoming school year.

The form contains a Walking field trip, Technology, Media and FOIP consents that has to be completed every year before your child can participate in these activities. We have combined some forms together into one to make the start of the school year a little easier for you.

We are asking parents and guardians to ensure that they can sign into their PowerSchool parent portal account before the end of the year. If you are having troubles with your username or password, please contact your school before the end of May to get help.

This is for all Kindergarten to grade 12 students

Please try to sign into the link below to ensure your username and password.

Thank you
