EDMS News

Thankful for Our Community

As we gear up for another busy and exciting week (all the more with our spelling bee and prize draws!), it is a great time to reflect on how thankful we are for the awesome community we are a part of! From our custodial and maintenance staff who work hard to ensure our facility and grounds are safe and clean, the bus drivers who do such a great job, to our teaching and support staff who work tirelessly each day to meet the needs of over 440 students, there are so many individuals who deserve a 'Thank You'. We can cast an even larger net of thanks when we consider the support that comes to the school from parents and other family members or friends. The Deer Meadow Parent Council is a great support to our school community, and the volunteers who come each morning to prepare breakfasts for learners or to help out in a class or on a field trip are so important to the success of our students. Every week is busy these days, but there is so much to stop and give thanks for.

Thank You Parents!

The May 5th School Staff Appreciation Breakfast was amazing! Thank you for taking some time to care for our staff and make them feel special!

Thank you IODE!

Deer Meadow recently received financial support from the IODE Baron Tweedsmuir Chapter, Olds, to purchase online interactive math and science student resource licences. This generous donation was made possible through their operation of their thrift shop, Second Time Around. Thank you for the support!

Interact Academy
