EDMS News

Parent Council

As our final parent council meeting for this school year approaches, I want to thank everyone who has been involved through the council in some capacity this year. Our parent council is a great support to the school in many ways - acting as an advisory committee to give timely feedback and ask important questions, arranging volunteer support for many school events and programs that would not be possible without them, and supporting identified areas of need in the school - just to name a few. Overall, the parent council plays a vital role ensuring that the parent voice is represented.

Special thanks goes to Shayna Graham who has filled the role of Chairperson these past two years on parent council. Shayna's willingness to take an active role in a new community is commendable, and Deer Meadow has certainly benefited from her involvement since she arrived. Thank you Shayna!

Our school would benefit from having more parents involved. As it goes every year with their students moving up to the high school, many of our current active members will no longer be Deer Meadow parents. To see what this is all about, please consider attending our next online meeting on **Monday, June 12th at 7:00pm**. Use the link below to join the meeting.

If you are interested, or would like more specific information about parent council, please don't hesitate to contact me at the school.

Sincerely,

Allan Whitehead

Principal

Chinook's Edge Staff are planning ahead for the upcoming year.

In Mid August Chinook's Edge will be sending home your Annual Demographic Update which will be called "Annual Re Enrollment and Consents" for the 2023-2024 year. The form will need to be completed and submitted prior to the start of the school year.

The form will ensure your registration and certain consents for the upcoming school year.

We have combined forms together into one to make the start of the school year a little easier for you.

The form contains a Walking field trip, Technology, Media and FOIP consents that has to be completed every year before your child can participate in these activities.

We are wanting parents and guardians to ensure that they can sign into their PowerSchool parent portal account before the end of the year. If you are having troubles with your username or password, please contact your school to get help.

This is for all Kindergarten to grade 12 students.

If you have verified that you can sign in, please disregard this message.
