

École Deer Meadow School

Chinook's Edge School Division

Week of October 30 - November 3, 2023

ÉDMS News

Student Progress

Can you believe that we are now 2 months into the school year? If you have not had a chance to do so already, please review your student's academic progress by logging into [PowerSchool](#). Our first report card will be issued on February 2nd, but parents and students can access grades and teacher comments through the app or website now.

Halloween at Deer Meadow

In preparation for Halloween next Tuesday, here are some important reminders:

- **Learning remains our focus:** Students can come to school in costumes on Halloween, but they must be able to participate fully in the day's learning activities. This means no costumes that will interfere with their ability to sit at a desk, and they must still be able to change into their gym strip on their own for Physical Education. While we have some fun activities planned during the day, the majority of our day is still focused on learning.
- **School-appropriate costumes:** Please refrain from costumes that include blood and gore (or anything else that might be overly scary - please consider younger students). No masks, no weapons (including fake ones), and please ensure costumes still meet our school dress code (see our [Student Handbook](#) for a reminder).
- **Classroom treats & allergies:** If you plan on sending any treats to share, please be aware of any allergy considerations in the class and touch base with your child's teacher if you are unsure.
- **Glow Sticks:** Grade 5 students will be bringing home a glow stick. These have been provided by the Town of Olds and are meant to be worn while out trick-or-treating as a safety precaution.

Parent Council

Parent Council has organized some dates for hot lunches. Lunches can be ordered through Student Quickpay or by [clicking here](#).

Prairie Donair - Friday, November 17th
