Band Guest Performance

This coming week we look forward to taking in a performance of a visiting high school band. The band from W.H. Croxford High School, consisting of 80 students in three different groups, will visit Deer Meadow on Monday afternoon as part of their "Tour of Alberta" band trip. We are fortunate to have the opportunity to expose our students to an hour of high quality live music from a group of dedicated local students.

Speaking of band music, our own Grade 7 & 8 Band has just completed their own band retreat to Camp Caroline, which was a great opportunity to work with clinicians, rehearse together, and spend time building connections as a team. Looking ahead, band students, under the direction of Ms. Wright, will be busy preparing to perform at the Olds & District Kiwanis Music Festival.

6-3 Mace Project

6-3 students worked very hard on a project for their Social Studies unit on Provincial Government. They did a wonderful job!

Connect Parent Group

An attachment based program for parents and caregivers

Thursdays, February 1 to April 4, 2024 from 10:00 a.m. to 12:00 p.m.

Connect is a 10-week program to support parents and caregivers of pre-teens and teens with behavioural and emotional problems.

Parents meet in small groups with two trained group leaders for 90 minutes each week. Each session provides parents with a new perspective on parent-teen relationships and adolescent development. Parents watch role-plays and try exercises that encourage more choices for responding to their teens' difficult behaviour.
