ÉDMS News

Spring is here!

As we begin to move into spring weather (and back and forth with winter), it is important that all students have indoor shoes at school to change into. This helps us ensure that floors are not slippery and it helps to maintain a clean school. Our custodians are amazing, but it is not fair to ask them to clean up a muddy mess after every recess. Please check in with your student(s) and if they do not have indoor shoes at school we ask that you please send an extra pair of shoes as soon as possible.

From the Gym

Badminton is starting for grade 7 and 8s. Tryouts will run the week of March 25 - 28 from 3:30-4:30.

Deer Meadow School Survey

We would like to invite all parents and guardians of students at EDMS to complete the survey linked below. This survey is designed to measure our success as we respond to student needs and create the best quality of education possible.

Click [HERE](#) to access the survey. It will remain open until April 10th, 2024.
