Looking forward to 2024/2025

Of course the end to the school year is always a busy time for all involved. With the finishing touches being put on the end of a school year while also getting plans in place for the new school year that will come before we know it. It is an exciting time for everyone in the school community as we get so close to summer vacation, but also a time of wondering about what comes next.

School staff put a great deal of thought into class placements and revisit them several times. As registrations come in over the summer months we also need to revisit these right before school starts up again. Our process for sharing class placements will be the same as last year:

- August 28th - Parents will receive an email from their child's new teacher to welcome them to their class and to invite them for a visit.
- August 29th & 30th - One hour each day will be set aside for students and parents to drop by the school for a brief visit and to see the classroom. School supplies can also be dropped off at this time as well. Specific details will be in the Aug. 28th email.
- September 3rd - First day of classes.

With planning for the new school year comes change, and we have one change to announce when it comes to our staff:

- Mrs. Arlene Rautiainen will be retiring from her EA position at the end of June. Mrs. Rautiainen has been an important member of our team at Deer Meadow for close to 20 years, and has expertly supported the learning of so many students! We will miss the care and attention that she gives everyone.

With our plans in place we are looking forward to finishing the year strong and celebrating the completion of the school year before we head out to enjoy the summer!
