### Spell-a-Thon Gratitude

As we post this newsletter, we are just wrapping up another incredible Spell-a-Thon here at Deer Meadow. While we'll be sharing detailed results and plenty of great photos next week, I didn't want to wait another moment to express my heartfelt thanks to everyone who helped make this event such a success.

To our many generous sponsors – thank you for donating such exciting prizes that truly motivated and energized our students. To all of the donors who contributed in support of our learners – your generosity is so appreciated. To our dedicated staff, parent volunteers, and community members – thank you for the countless hours you spent organizing, preparing, and managing the many moving parts of this event. And to our amazing students – thank you for your hard work, whether you were preparing in class or standing confidently on stage during the final Spelling Bee. Your enthusiasm and effort made this a joy to watch!

The Spell-a-Thon is always a highlight of our school year, and the support it generates directly enhances learning opportunities for our students. We are truly grateful to be part of such a caring and supportive community.

With appreciation,

Allan Whitehead  
Principal, École Deer Meadow School

The Men's Shed of Olds promotes social interaction and reduces feelings of isolation and loneliness in men. We focus on doing things "side by side", building things that benefit local community initiatives.

We have been gathering bicycles and repairing them, and have a great variety of refurbished and great condition bicycles to be donated to a family in need. **If you know of a child that could really use a bike**, but may not be able to purchase one, please contact the Deer Meadow School office for contact information!

# French Carnival - 2025

The French Immersion Department held their annual event "French Carnival - 2025" on May 9th. This is a great occasion for our French Immersion students from ÉDMS and ÉOES to connect with one another and to exhibit their French language skills with fun and creativity. During the event, we mixed all French Immersion students as teams, with focus to form a series of games and competitions in a Carnival format.

The French Immersion Team takes this opportunity to thank the Administration, Teachers, parents and volunteers for their cooperation. We would also like to thank the CPF members for their cooperation.

Sincerely,

French Immersion Team

Mr. Saadaoui and Mme. Shamvu
