Parent Council Update

Hello DMS Parents,

Deer Meadow Parent Council is seeking your help in assisting the school to achieve the budget of \$45-\$65,000 for the replacement of the Audio-Visual system that has served the school for years. So far Parent Council has raised over \$10,000 toward this initiative. However, we need one final push toward the mark. Will you join with us in helping the school make this necessary change that will improve our children's learning experience? Thank you for your participation!
